Hi Doll,
Sue it's all I can do to find space in your book - I guess that's evidence enough that you've made a success in your first two years at Libby. We've really had a terrific time in 5th hour, although we've given Coach a rough time. I certainly am glad you are my little Beta sister and I'll be expecting big things from you next year. I've just initiated you into the "fellow fruits" as a result well dig ya later! I'm running out of space, so please be good if possible. Hello Shorter!

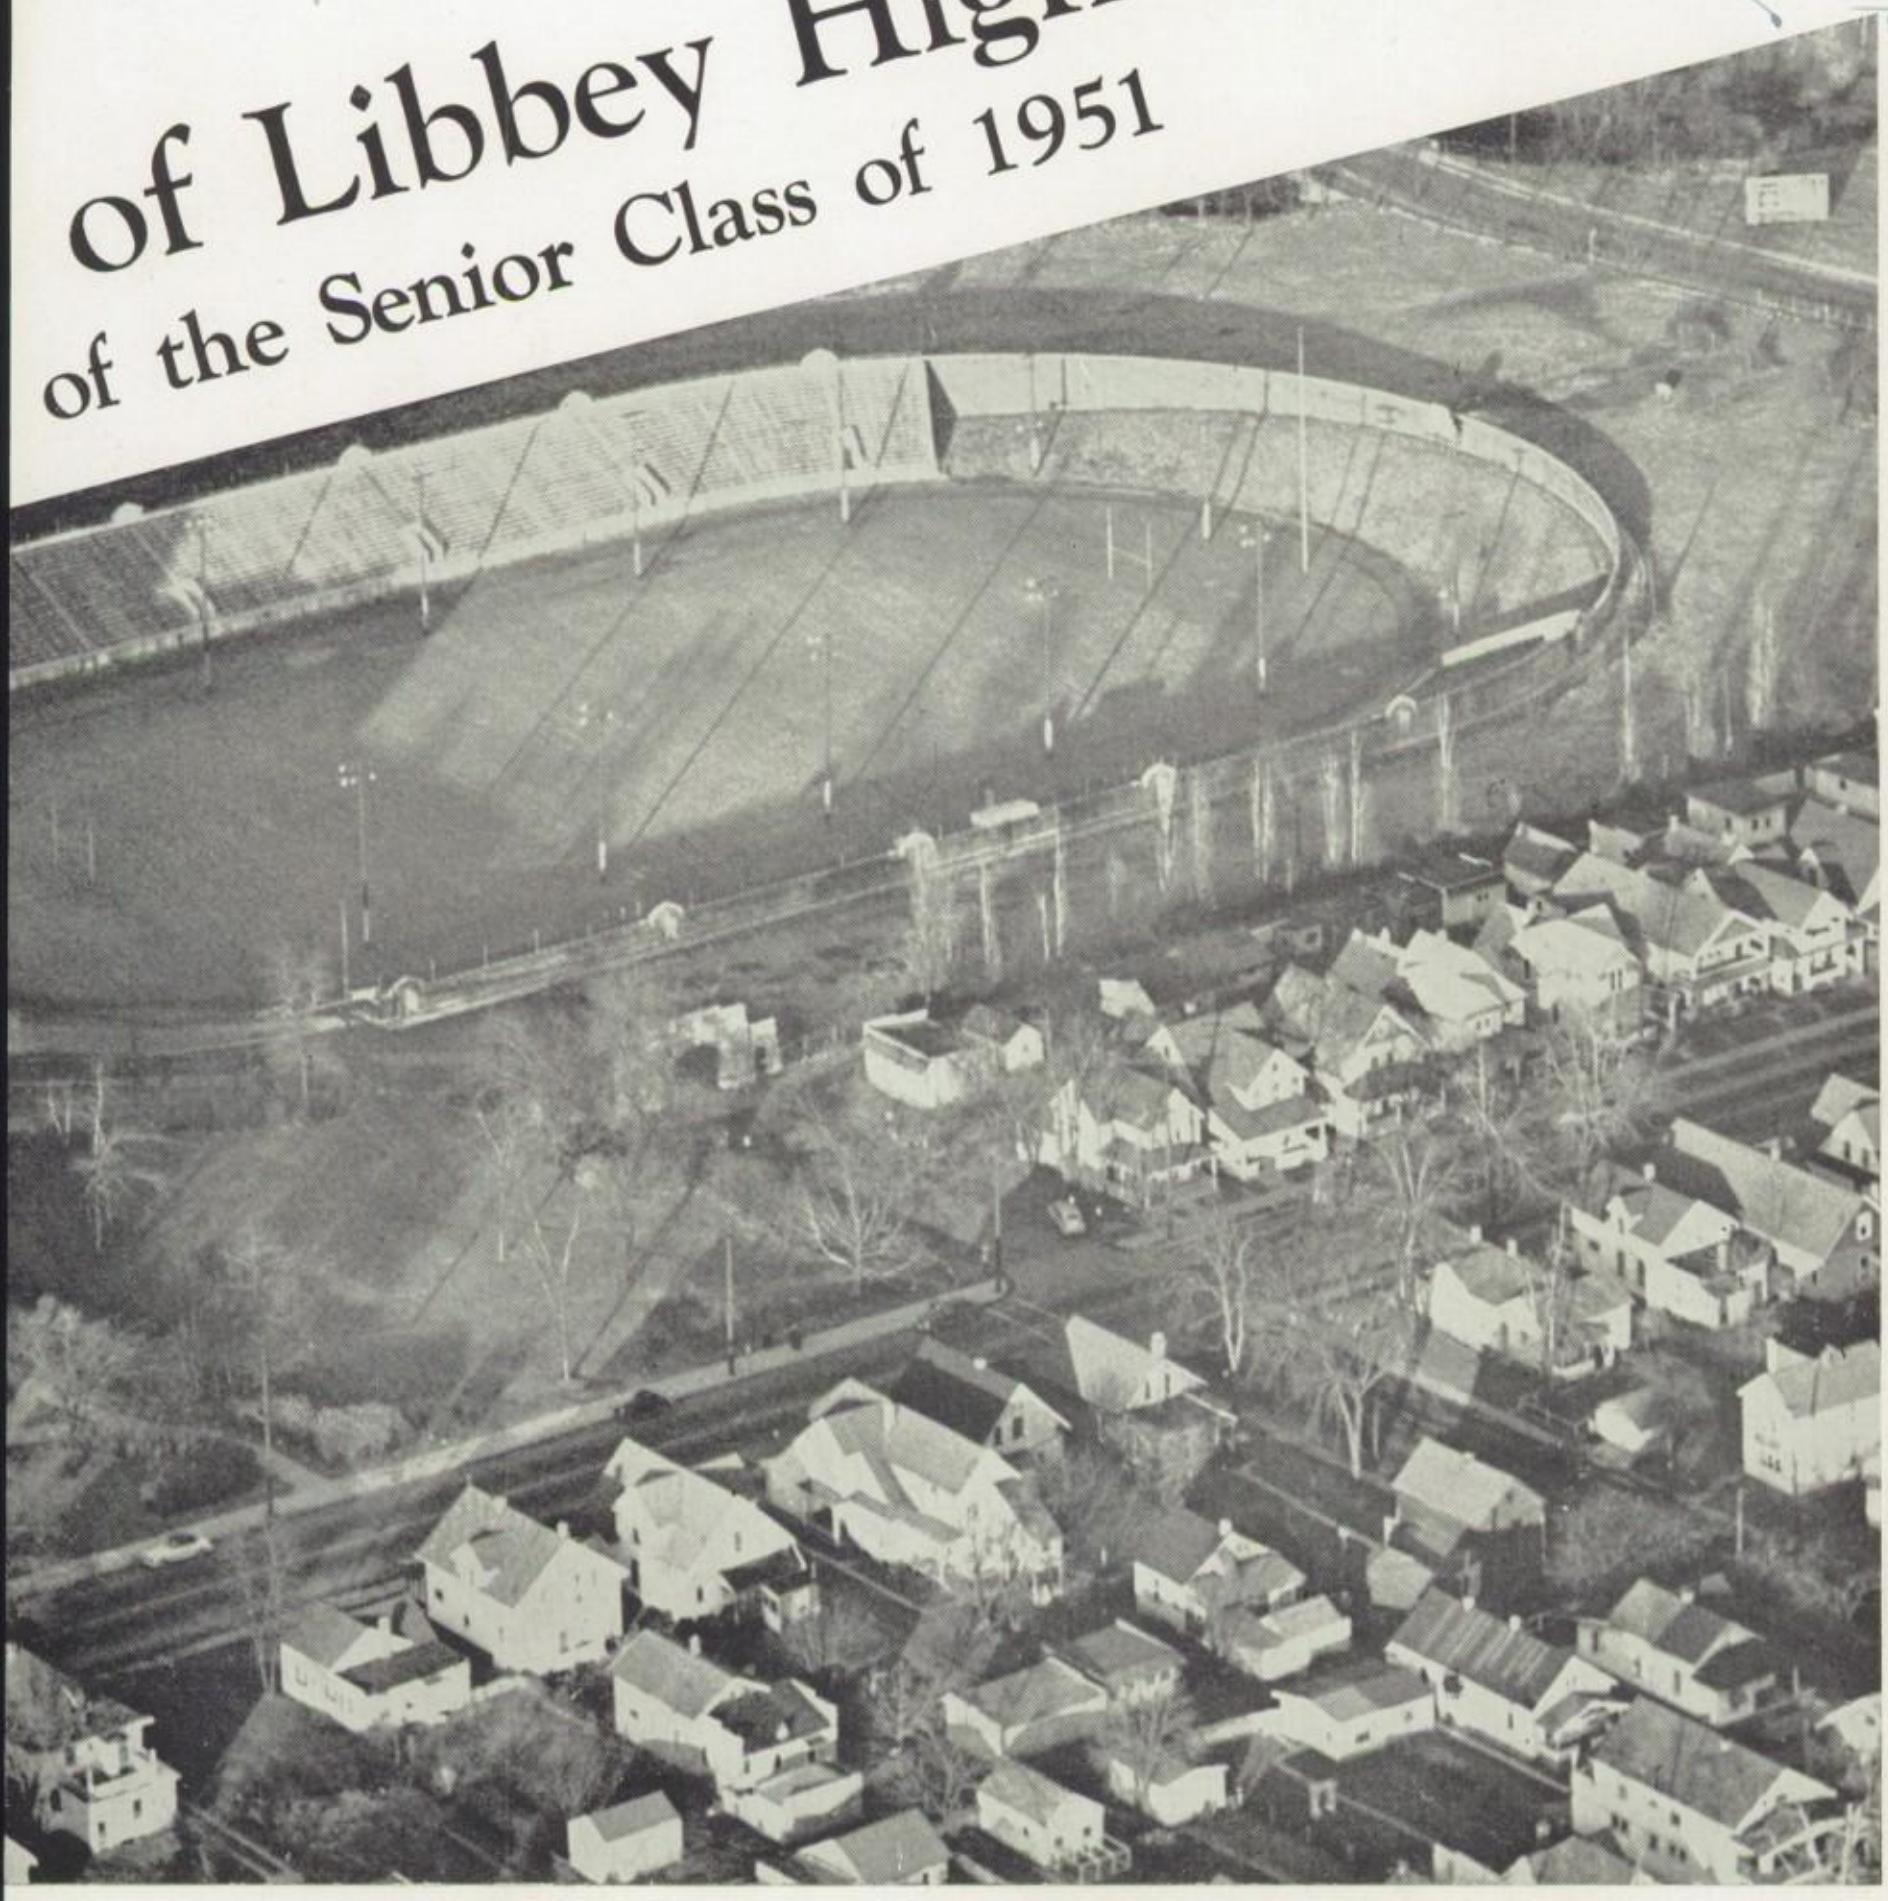
# of Libbey High School

of the Senior Class of 1951

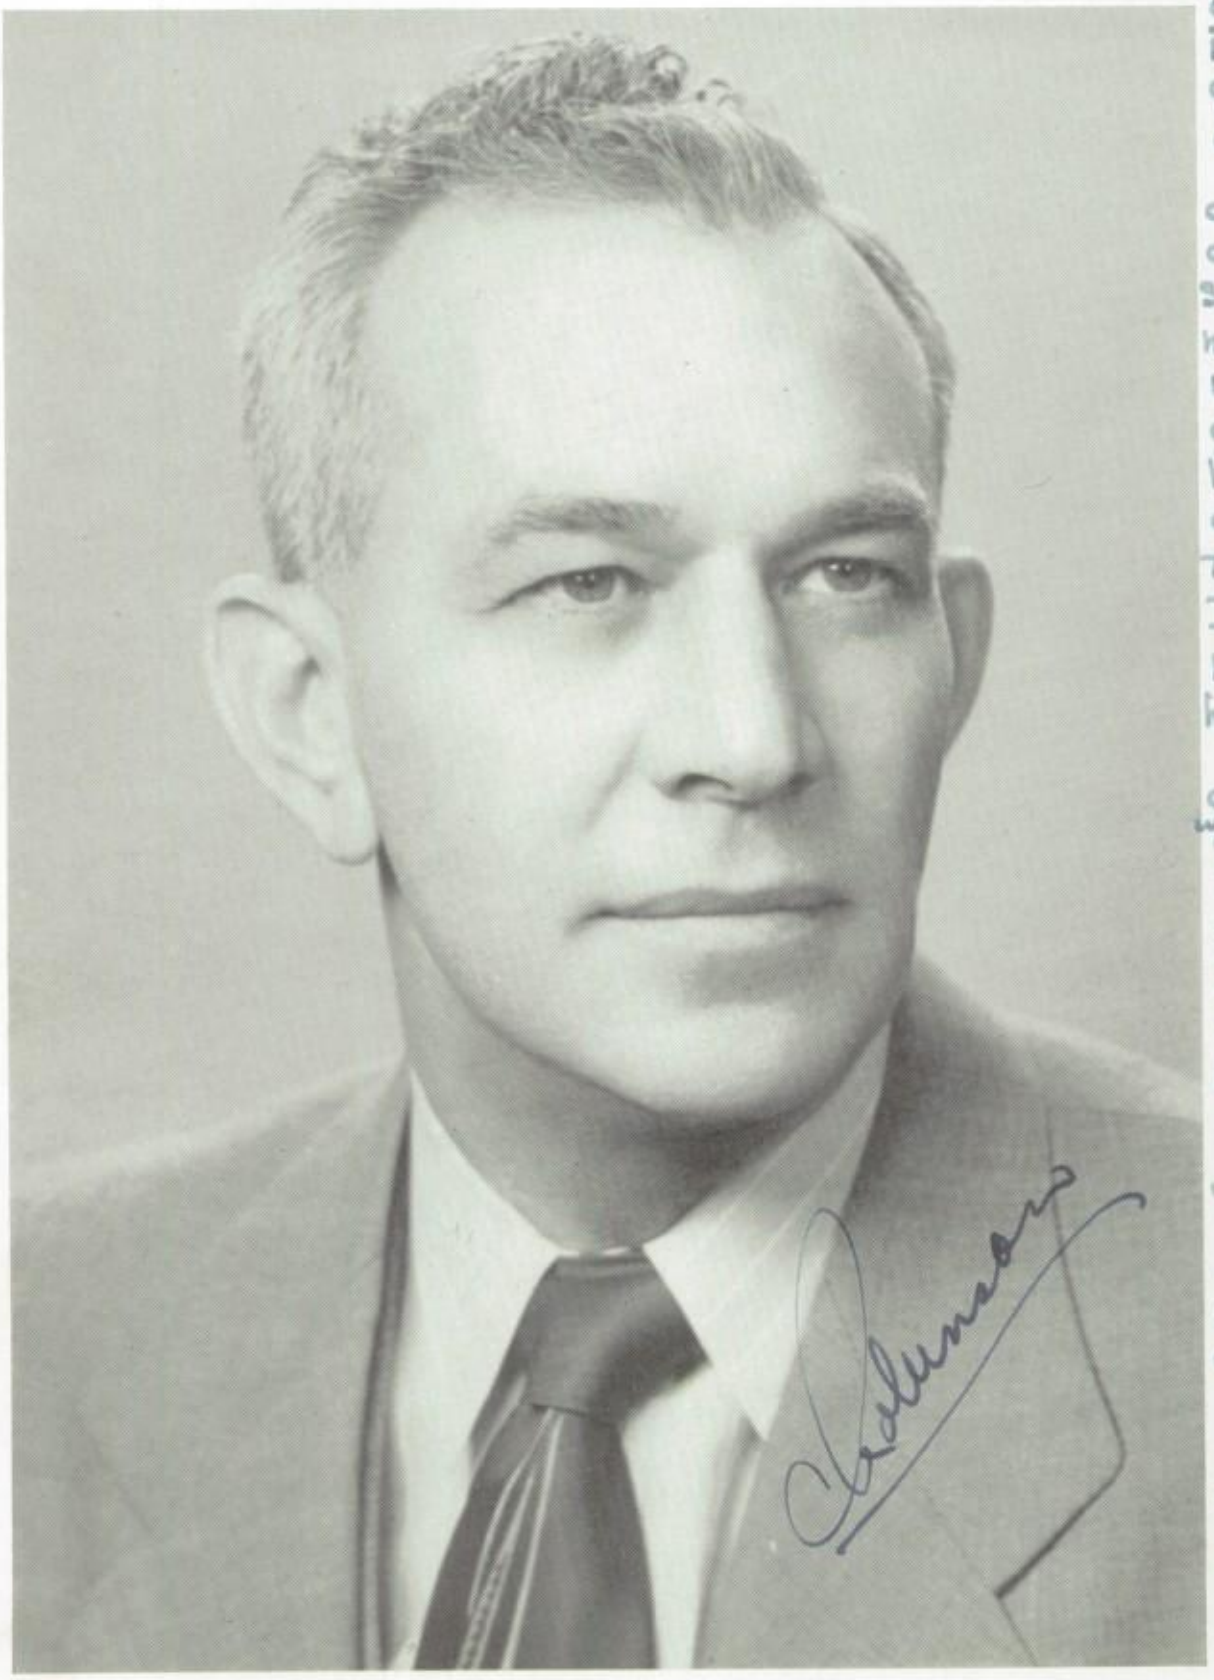


Superintendent E. L. Bowsher

The graduating class of Libbey High School wishes to congratulate our Superintendent of Schools, Mr. E. L. Bowsher, for his fine administration and wish him every success in the continuing years.

Principal Loy W. Rusie

The Senior Class of 1951 feel that we are very close to our principal, Mr. Loy W. Rusie because we are the first group that has been under his guidance for four years. During that time we have learned to know him as an adviser, a pal, and a friend. We wish him the best of luck for future years, as we gratefully acknowledge the encouragement and help he was never too busy to give us.



CHARLES ROBINSON

Dear Susie,

Well, little one, your a Junior now, and aren't you proud? Pretty soon your high school days will be over and all you will have left is the knowledge that you've gained loads of friends. Susie, a girls pleasant memories most are those of high school days and yours should be very sweet since you've made such a hit here at Libbey. There is just one thing I want you to remember and that's to keep your individuality. People will always remember you as the lovable little "midget". I'm afraid I'm not the least bit original, since everyone else has said the same thing.

This year has been great for you I know. Your "aim" has been fulfilled as it always has been about certain things and people. I'm sincerely glad that you and people have become friend(lier?) subtle aren't I?

I'm very proud to call you my little Phi Bet sister.

You didn't leave me much room to write in but it's hard for me to say anything this way anyway.

Having lots more fun, such as at "The Commodore" and some of the other eccentric things we've done, would be nice.

Dear Suzie,

I didn't know you to well this year but I really hope next year I'll see a lot more of you, in classes or in other places. I think your one of the cutest girls I've ever known and I'm kind of sorry I didn't know you earlier. You really have a swell personality and your really a hit with the boys. With your personality & charm & character and your cute smiles you ought to really go places in your years ahead. (I love that smile of yours.) Well I hope you have a swell vacation this summer. Take it easy on the boys and give them all a break, too. Maybe will get a chance to see each other over the vacation. I hope so. I'd like to wish you the best of success & happiness in your school years to come. Lots of luck to a swell & cute girl who I'm hoping I'll see a lot more of in the future. Take it easy this summer & don't flirt with too many boys because I think I'll get jealous. (understand)

Yours Truely,
Al Manzey

DEDICATION

An excellent coach, teacher, and citizen, a man to whom all friends of Libbey point with pride, a favorite son is Charles Robinson. Spoken of more affectionately as "Robbie", he is another Libbey graduate who has gone forth, garnering many honors in college, returning later to give of his many talents and skills for the benefit and success of his school.

Attending Miami University of Oxford, Ohio, where he obtained his Bachelor of Science degree, Mr. Robinson made a place for himself in collegiate athletics with outstanding records in football and track. He was mentioned on several all-Ohio teams while playing the position of half-back and his track achievements were spectacular. Running against such highly touted individuals in the track world as Owens and Metcalfe, "Robbie" is said to have been one of the fleetest collegians on the cinder path. After teaching in Xenia, Ohio, where he coached football and basketball, Mr. Robinson returned to Toledo, to teach biology in Libbey. Very happily married, and the father of two children, Tommy and Nancy, he attends Park Congregational Church. In his leisure time, what little he has, "Robbie" enjoys doing leather tooling and has made beautiful articles. His summers are occupied by his tasks at Scott Park swimming pool.

"Robbie's" outstanding qualities — his sense of humor, determination, spirit, and his sincerity — are those which have made him the fine line coach that he is. He commands the respect and admiration of every one of his "boys" with whom he works, evening after evening. Probably the most fitting tribute to this personable friend is the humble, admiring sincerity in the eyes of team members when they speak of their beloved "Coach". To you, then, "Robbie", with the most heartfelt appreciation of all that you have done, we, the Senior Class of Libbey High School, dedicate this, the 1951 Edelian.

Dr. Charles E. Williams

Dear Sue

The year is almost over with, and it looks as if school treated you pretty well. We really had fun at the Prom this year. I got quite a big kick out of it. I don't know about you. I hope so.

How about 3rd hour. Grace really supplied us with Dearborn. Her and her humor. Excuse me, that should be: She and her humor. Two more days and school and exams will be over with. The sooner the better for me.

IN MEMORIAM

Libbey has lost a friend! In the passing of Dr. Charles H. Williams on March twenty-seventh, both the faculty and the students of our school experienced a feeling of deep and sincere grief. Since the opening of Libbey, Dr. Williams, who was the physician brother of our first principal, Mr. Harold E. Williams, has felt an enthusiastic interest in all of us, which he manifested by his many visits and generous gifts. As a connoisseur of art, Dr. Williams was eager to beautify the new school and consequently selected many pictures for us which are still to be seen in our halls, office, apartment, library, auditorium, and in English and other class rooms. He helped arrange these pictures and gave many inspiring talks to help the pupils appreciate and interpret them.

Later Dr. Williams established the trophies for the outstanding boy and girl in the senior class and also gave yearly trophies to the excellent player in football and in basketball. His work was ever for the advancement of Libbey and the perpetuating of high ideals among the students. We greatly mourn his passing because he was our beloved and revered friend. But we do not feel that he is gone from us, because his kindly influence and benevolent graciousness will remain always as one of our richest traditions.

Today we almost have the school except for the juniors. Next year we'll be upperclassmen. I don't believe I've done any homework in a week except Biology and geometry. But that's life. I'm just getting over a little cold I got from swimming. I bet that 5th hour class is really fun. We have sure had fun in Second hour, I know. The only class you learn something and still really have fun. I'll probably see you this summer. I hope you can make out this writing, cause I find looking back at it, I can't read it. Well I'll have to hang it up now; I'm running out of things to say. Have fun this summer.

Love,
Pan Lang

IN MEMORIAM

He came quietly into an always-widening circle of friends and of varied interests. Just as quietly, he left us, deeply moved and saddened, though perhaps wiser in the knowledge that Life must always contain unforeseen sorrow and disappointment. With childlike simplicity we argued that he had only begun to receive the honors and successes which seemed destined to be his, always. We missed the friendly warmth of his smile, his wit. But we realized that in his short stay at Libbey Bob had successes which were his alone. His scholastic abilities had carried him, as one of three boys elected, into the National Honor Society in his junior year. He was a member of the Forum Literary Society and active in the Hi-Y and in his membership at St. Lucas Lutheran Church. Gradually, we came to accept his leaving—but never to forget what his integrity and genuine friendship had meant to all who were acquainted with him. In this, the publication of his senior class, we want him to take the place which he shall always hold in our hearts. For, Bob Leydorf—an outstanding student, leader, worker, and, most important, a wonderful friend—was with us only briefly, but his memory is ours forever.

EDELIAN

Everyone at Libbey loves and treasures his year-books as a storehouse of all the activities he has enjoyed, but this year we'd like to remind you of the derivation of the word EDELIAN. It is composed of the name of Edmund Drummond Libbey: E and D, plus L for euphony and, of course, Libbey. As in other years the Edelian staff was in a state of constant concern over the ads, senior group and athletic pictures, and the snapshots, which form an excellent part of the book.

The business of the Edelian was ably managed by Mr. Martin and his staff, which include Helyn Rigney, advertising manager; Sue Kanney, activities manager; Sandra Lewis, assistant advertising manager; Sally Carmen, circulation manager; and Dolores Martin, Johnnie Lewis, Beverly Richard, and Dick Camp, circulation. The enthusiastic and enterprising editorial staff was led by the co-editors-in-chief, Dorothy Lee and Nancy Hipp. Harriet Covode and Joyce McClaran edited the senior section; Jim Neal and Ramona Leininger, the classes sections. Clubs were reported by Pat Harding and Marianna Schneider and Jim Kreutzfeld, Ben Morse, and Mark Haas arranged the faculty pages. Sports were covered by Charles and Chancy Jones and Dick Emerson. Ramona Leininger and Dorothy Sankiewicz prepared the advertising layouts. Over all these performances Miss Ruth Dusha, as director, tried to keep peace in a troubled activity, gaining strength and courage from Principal Loy W. Rusie when the going became especially rough.

CRYSTAL

From Miss Gerdes' room, humming with activity, emanates one of Toledo's top high school newspapers, Libbey's own "Crystal." Reporters, photographers, editors, managers, and adviser have co-operated in the true spirit of the journalism field to produce a paper which, with its clever jokes, good editorials, and outstanding photographs, is eagerly awaited by the student body. In order that "Crystal" work, however, might not be "all work and no play," the annual banquet ended a busy season.

Much credit should go to Miss Gerdes, the adviser, as well as staff members, Nancy Corbin, editor-in-chief; Barbara Soule and Nannette Striggow, associate co-editors; Donna Rossbach, feature editor; Joan Hundley, news editor; Betty Potts, typing editor; Pat Richard and Ramona Knopf, co-exchange editors; Lamar Sawyer, sports editor; Janet Whitehead, club editor; Andrew Kassay, photographer; Ronny Hilfinger and Bob Bryan, advertising managers.

NATIONAL HONOR SOCIETY

The senior members of National Honor eagerly watch the induction of the juniors and seniors who will be a willing addition to the club. These twenty second-year members were chosen as juniors, on their scholastic records achieved their first three years at Libbey.

Hard working seniors are given awards for placement in senior scholarship tests! Certificates were awarded these smiling students for placing in the city or state ranks of the Ohio Senior Scholarship Tests.

NATIONAL HONOR SOCIETY

The induction of new members, an impressive ceremony held in March, rewarded the efforts of outstanding juniors and seniors with membership in this fine organization. The officers for the year, president, Larry Metzger; vice-president, Vera Engelhardt; secretary-treasurer, Jane Hall; and sergeant-at-arms, Leonard Kutzke. Members of this group wish to extend their grateful thanks to Mr. Lynn, who has guided, patiently, the organization for many years. A welcome for the new advisers, Miss Gilbert and Miss Henderson, is also sincerely extended.

The purpose of the National Honor Society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of Libbey High School. With these aims, the group began their service activities by managing the elections of junior and senior class officers.The Antlers Quartet was presented by the group to obtain money for scholarship purposes. On Friday, April 13, the society presented a "Beat the Clock" stunt show with John Saunders as master of ceremonies. Student participation contributed to a thoroughly enjoyable show.

PERICLEAN LITERARY SOCIETY

Fulfilling our motto "Second to None," the Peries started a tremendous year with the presentation of the DeVilbiss mass meeting under the direction of Ramona Leininger and Sue Kanney. Following this, the annual fall roast was held at Fort Meigs with Barbara Bowman as chairman. Donna Rossbach was chairman of our successful annual dance entitled, "The Holly Hop" and held in December at the Woman's Building. In March, sixteen new members were installed at an initiation tea, headed by Nancy Hipp. Again as spring approached, the Peries honored their mothers at a tea given in their honor. Much success and credit is due to Marcia Beier for the outcome of this event. The Peries closed the year's activities with the Spring Banquet at which the senior members were bidden a sad adieu, as the junior officers were installed.

Many thanks to our adviser, Miss Dusha, for the promoting of our year's activities. The officers were Joyce McClaran, president; Donna Rossbach, vice president; Nancy Corbin, treasurer; Vera Engelhardt, censor; Nancy Hipp, recording secretary; Ramona Knopf, corresponding secretary; Nannette Striggow, chaplain.

With their motto, "Nihil sine labore," the Zets culminated their year in accomplishing this purpose. In October Treva Critzer emceed the Waite Mass Meeting. "The Tri-Lit Dance" in October, the dance after the Woodward-Libbey game in February and the "Sophisticated Swing" at the Toledo Yacht Club in February with Eleanor Peters as chairman were three gala events. The annual banquet initiation, and the mother's tea, all in May, completed the year.

The Zets thank their efficient advisers: Miss Aileen Eberth, Miss Grace Henderson, Miss Grace DeLisle and Mrs. Eleanor Dzialok and their ambitious officers: Harriet Covode, president; Eleanor Peters, vice president; Treva Critzer, corresponding secretary; Barbara Soule, recording secretary; Janet Giffin, treasurer; Bonnie Willey, chaplain; Helen Kachenmeister, sergeant-at-arms; Mona De Courtad, censor; Viola Shoemaker, historian; and Janet Whitehead, courier.

The events of the year were begun with rough initiation of pledges which was planned by a committee consisting of Jim Neal, John Harding, and Dick Strahm. The chairmen were Dick Emerson and Ed Biggs.

Next on the calendar was the annual Forum dance, the "Snow Ball" held on January 13, at the Secor Hotel. A Snow Queen was elected. The committee, headed by Larry Metzger, who was assisted by Ron Gamble, Ed Biggs, Dick Emerson, Jim Neal, Dick Strahm, and Tom Smith, collaborated with the Phils in presenting the dance. The committee for the annual spring roast was headed by Ron Gamble. His assistants were Ken Crossman, Tom Jackson, Bob Ganss, and Jack Mounger. In charge of initiating these well-groomed pledges were Darrell Swanson, Bill Brown, and Ronnie Hilfinger. To fulfill their motto, "To generate a will to serve," the Q. D.'s annual dance was planned by Dick Szymanski, Bob Duszynski, Don Kazala, Ron Hilfinger and Bill Brown. Vic Domhoff, Leonard Kutzke, and Al Bersticker arranged the spring roast.

COMMERCIAL CLUB — LIB

In social activities the club was very busy with a program from October to May. The first event was an open house program for visitors from other city high schools. A Halloween party at Highland Park with Jean Shepler as chairman; a party at the Miami Orphanage, planned by Dorothy Lee; and a Christmas party constituted the first part of the program. The Mother's Tea was arranged by Mary Lou Driano and presented in the Libbey Auditorium. The group participated in the installation of the DeVilbiss Chapter of the Future Business Leaders of America. The Broadway Methodist Church was the scene of the spring banquet with Nancy Jo Brown chairman. The club also assisted in the Education Business and Industry day in April.

Providing an opportunity for students to work on the production of an outstanding cartoon and gossip magazine, is the "Lib". The work is entirely done by students with the help of Libbey's art teacher, Miss Bartley, who gives technical advice.

NURSES AIDES

Shining lights of Libbey's health center, Miss Kelso's room, are instructed in the proper techniques of many phases of nursing and first aid. Their training is of great value to the students of Libbey as well as to the aides, since this work may lead into a nursing career or may provide practical health knowledge useful in any family. The presence of these aides provides an atmosphere which is cheerful, though quiet and restful.

LIBRARY AIDES

Of great assistance to students who assemble in the library in quest of knowledge, or at least reading material, are the library workers. The seemingly never-ending task of replacing and checking books is ably performed by these smiling aides. Keeping the peace, without the benefits of badges and billy-clubs, another service of the library aides, is the basis for their nomination as future Peace Prize Winners. Thanks are in order for services performed!

TESTING AIDES

Keepers of the records are the efficient Libbey helpers known as the testing aides. Their service includes tabulating results of tests, as well as maintaining records which each student acquires early in his high school year.

DR. WILLIAMS

Throughout the years Dr. Williams has followed the activities of Libbey, not only as a brother to Mr. Harold Williams, our former principal, but as a true friend. He has done many things for Libbey as well as giving gifts to the school. Dr. Williams has in the past given trophies to the outstanding football and basketball players as voted by the students. He also has awarded trophies to the outstanding girl and boy of the Senior Class. Thus it was with great sadness and regret that the students and faculty of Libbey heard the news of Dr. Williams' death during Spring vacation. Our generous friend will never be forgotten and his spirit will ever be present in the halls of Libbey.

Above the crashing smashing bodies of a scrimmage on the practice field can be heard the correcting, but never harsh voice of Mr. Harding saying, "Keep your head up!" or, "Cut inside the hole!" as he inspires the team to keep up the hard work. It is this hard work that wins games and, under such a coach as Bus Harding, there is always the willingness of the team to cooperate. This is why Libbey always has fine teams and will continue to have such as long as Mr. Harding is at the reins. The Senior Class salutes you, Mr. Harding, for a job well done and wishes you the best of luck in producing the championship teams of tomorrow.

MR. HARDING

LIBBEY ATHLETICS

CHARLES R. MARTIN
Director of Activities

Team Makers

Mr. Charles Martin, director of athletics and activities, is the backbone of getting all jobs done before the actual contests and programs begin. He has charge of making our football programs and has made them colorful and interesting. As in years past, Mr. Martin has been assisted by Mr. Orville Henrion, and together these men have kept the books and supervised the equipment. All injuries to this year's teams have been taken care of by a fine group of doctors. These men include Dr. Carbin, Dr. R. C. Young, Dr. Stevers, and Dr. Paine.

We wish more success to the coaches of Cowboy teams in the future and hope they may keep up the fine record. The well-rounded athletic staff at Libbey is made up of Mr. Harding, head football coach; Mr. Robinson, assistant varsity football coach, and track coach; Mr. Jeffery, head basketball and baseball coach, and freshman football; Mr. Harris, lightweight football; and Mr. Leo Campey, reserve basketball coach.

BASKETBALL

This year our team was as fine and scrappy bunch of boys as could be found anywhere. The team, under the leadership of Al Jeffery, had a combined record of eleven wins and nine losses, including the tournament. The leaders were "Peaches," who was top scorer and Richard McMorgan, who was sharp in ball handling and play making. This resulted in the election of "Peaches" to the first all-city team and of "Mac's" getting a berth on the second team. At the end of the season the student body chose "Peaches" as the most valuable player; while the team selected "Mac" honorary captain and Bob Zedlitz the most valuable substitute. Next year's prospects look very good with the return of four boys from the varsity, as well as boys up from the reserve team who won the championship. The reserve team under Mr. Campey, a new mentor, won the crown with a record of nine wins and three setbacks. This team was led by freshman Ed Maulter. The freshman team, under the supervision of Mr. Moses, also had a fine team and tied with Central for the crown with a record of ten wins and two losses.

A TRADITION OF NEW DEVELOPMENT

Backed by a tradition of new development, the name Owens-Illinois today stands for quality products.

The history of Owens-Illinois is highlighted by developments which have made material contributions to better living.

The invention of the Owens bottle machine in 1904 by Michael J. Owens, one of the Company's founders, made it possible to mass produce low-cost glass containers.

Glass tumblers and other tableware are plentiful and inexpensive today because in 1906 Libbey Glass developed techniques for making them automatically.

Kaylo calcium silicate building and insulating products, first introduced by Owens-Illinois in 1943 make buildings warmer and more fireproof.

Many people enjoy better television today because in 1949 Owens-Illinois developed the rectangular all-glass bulb which makes possible better television pictures and smaller cabinets.

These are but a few of the developments which are reflected in products that the Company produces. More could be mentioned and there will be many more in the future.

A continuous program of research and development benefits the public as well as Owens-Illinois a name that stands for quality products.

I certainly wish we could have dobbled more this year, but as Stahm would say "That's How The Ball Rolls". This year has really whizzed by. This has been one of my best. how 'bout you? Remember playing "Rhythm" in the Hall and exchanging homework in the library. Take care of Larry for you two make one of the cutest couples at Gibby.

Dear Suzie,

It's obvious to all that you're got a terrific personality and a lot of ability. Now if you'll take a little advice from an "old man" I say — take it easy, take things in your stride, and with that humble simplicity you're going to be one of Libbey's real top products! Here's wishing you a world of success and happiness, punk!

Thanks —

Ken Crossan

Dear Suzie,

We have really been pals this year. I finally got you and Larry together after a few months of talking. I'm sure that neither one of you are sorry. And will never be sorry. You kids are really super. I can just see your family — "midgets" just kidding! I know that you will have a real nice family. It's bound to be cute. It couldn't be anything else with you and Larry. We've really had a lot of fun this year. I'll never forget the Student Council picnic — don't forget my shirt!!!! We'll have to try it again some time. Please come to see me this summer real often and take it easy on "L. L." Don't give him too hard a time.

You're a wonderful girl "Suzie-Q" and I know the Junior play next year will be a super production with "Miss Miller" as the leading-lady. Have a whole lot of fun but never change — you're swell the way you are.

Harriet "Z" Covode

Dear Lue,

Well I guess I got to know one of the sweetest girls in Libby. I guess I was lucky this getting to go on that roast with you. You finally got Larry didn't you and you better hold on to him. We had lot of fun in 5th. hr. didn't we. You never did your homework, always taking mine. That was all right I didn't care you helped me with some of my test. I hope to see you and Larry this summer and double with you. We had lot of fun going together on dates, just you and Larry and me & Nemmette that was the most fun, didn't you think so. I really heard a lot about Larry in Robinson room. That why I haven't been doing so well this last half sitting next to you. Best of luck to you and Larry and all your little midget.

Bob Burzynski

P.S. Let Larry go out with us boys more this year.

I hope you and Murph have a swell vacation, and if I know you, you probably will. Take good care of yourself, and I'll see you around. Dear Susie,

As this year draws to a close it is really a grand feeling to look back on all the good times we have had together. In most of the books I write in, what I say is about 1/10 if you Dear Susie, will to start off I want you mean, to know I'm very sorry I mention to you say I about your dress the night of the Prom. It's been being on me ever since I found out you took it and being to heart. I was just kidding but I'm sorry is. have enjoyed You I think your known very well about school around you what I say, and your bound to go far at Libby. Lots / really mean so clever luck in the near future. You are so cute and happy just being around. that it makes a person wish you luck but a girl Best with your looks and your personality doesn't need much luck. Anyway if you ever do here's hoping you have all you need and more too. I am expect- ing great things from you. I know you will be a top leader around school. Boy how I envy Metzgers. Take my advice. Never go steady. That would deprive too many boys of too nice a girl. Give everyone a break until you are sure of the one you love. If only that one could be me. Oh well we can't all be lucky. I am signing this in a way that I love you forever

Dear Susie,

I would like to tell how
cute and shapely you are
and how smart and talented,
but due to limited space, I can
only wish you (and Larry) good luck

Hi honey,

Well here I am finally — glad thing there are so many things I want to tell you but can't — not here you all the refrain to read. Start reading this back it sounds like a love letter — maybe we are —!! No — I know we're not. Just think, this is going to be our last summer together and I'm really going to miss you next year when I'm down at Bu Gu. You must know that I've always thought of you as a little sister... maybe it was more like mother and daughter (at least the teachers thoughts so) .... if I ever had a daughter I do hope she is just like you. Well bon, you and Larry have finally got together after all those months of playing it "cool" — you finally made it..... I always knew you would. I hope all your plans work and don't forget me at your wedding. Remember I'm the one in pale pink!! I hope you realize I'm flunking chemistry to write this. Well Susie just because I won't be here — don't forget about me and I hope we can always be friends cause I love you like a mother, sweetie.

I Love
